A-1 シンボルマーク SYMBOL

A red disc holding the green flower. The flower is 0.78 of the disc diameter, centred across, set slightly high so its petals sit inside the edge. Draw it only from the master file.

A-2 ロゴタイプ LOGOTYPE

ZUMA

ZUMA in a heavy rounded grotesk, set as paths. Its letter spacing and proportions are fixed; never retype it.

A-3 シグネチャー SIGNATURE, HORIZONTAL

ZUMA

The first form. The Z overlaps the edge of the disc by four units and the tops of the letters sit just below the top of the disc.

A-4 和文併記 WITH KATAKANA

ZUMA

ズマ・タイズ

For signs and Japanese-language material. The katakana is centred under the logotype.

A-5 縦組 STACKED

A red rule along the top edge. The signature sits above the return address.
